| <input checked="" type="checkbox"/> Hiking | <input checked="" type="checkbox"/> Ropes Course | <input type="checkbox"/> Zip line |
| <input type="checkbox"/> Archery | <input type="checkbox"/> Climbing Wall | <input checked="" type="checkbox"/> Campfire |
| <input type="checkbox"/> Swimming (indoor pool) | <input type="checkbox"/> Roller Skating | <input type="checkbox"/> Games in Gym |

Other: _____

Participation in any or all of the activities listed above in the first paragraph and/or marked above may potentially involve risks and responsibilities for your child that are beyond the scope of those normally associated with educational activities at school, which include but are not limited to:

Exposure to the elements; severe weather and extremes of cold/heat including thunderstorms, lightning, wind, rain, snow and wet conditions; high altitude; encounters with insects and a variety of wild plants and animals; travel in and around bodies of water; allergies; rough terrain; fire; avalanche; rock slides and/or falling rocks or other objects; contact with strangers; separation from the group; proximity to help; and any and all other natural hazards, risks, and dangers that exist and may occur in a wilderness environment not specifically named herein.

Participation in these activities can result in illness and/or injury including but not limited to head trauma resulting in brain damage; neck and spinal cord injuries resulting in quadriplegia or paraplegia; concussions; altitude sickness; dehydration; exhaustion; hypothermia; drowning; electrocution; anaphylaxis shock; broken bones; muscle pulls; strains, sprains; joint dislocations; skin abrasions; contusions; splinters; serious burns or sunburn; cable and rope burns (if participating in a ropes course or zip line); psychological trauma, death and/or other serious injuries or impairments of a temporary or permanent nature.

You are encouraged to consult your child's primary health care provider if you have any concerns regarding your child's participation in the Extended Field Trip.
